<Step 2> Topic Sentence (抽象) に対する具体となる Story を書いていく

We can create wonderful things when encountering obstacles. Look! There was a boy in a room. As usual, he wanted to play outside. Unfortunately, because of the heavy rain, he couldn't go out. What a pity! He was forced to spend the whole afternoon at home. He was unhappy at the time but it offered a great opportunity that would eventually change his life. He made up a story. In the world of his imagination, he could fly and go anywhere. He enjoyed exciting adventures. He found himself absorbed in the fantastic world of his own making, and soon became interested in writing stories. Ten years later, he became one of the most famous novelists in the world. We can often find something new when we encounter trouble.
