Two university students, Mackenzie and Justin, are discussing plans for the upcoming weekend.

- Mackenzie: If you aren't (32), how about going with me to see my brother play in a soccer match this Saturday?
- Justin: I need to clean up and do (33) at my apartment on Saturday, but it would be a great change of pace. Where is this match taking place?
- Mackenzie: It's about a fifteen-minute drive from here. How about if I (34) around 2:00 and pick you up?
- Justin: That'll work fine. It will give me time to do my laundry, clean the kitchen and bathroom, and (35) groceries. By the way, is your brother's team good?
- Mackenzie: There are ten teams in their league and they are usually in contention for the championship. My brother's a goalie, so he gets a good workout before every game so he can stop the attacks.
- Justin: Do you play soccer too?
- Mackenzie: I (36), but now I mostly play tennis in the warm months and basketball in the cold months. What about you?
- Justin: I play a little of every sport, but I'm (37) any single sport. I just like to do things with other people and get some exercise.
- Mackenzie: Well, I'll (38) on with your work. Glad you can come on Saturday.
- Justin: Thanks for asking me. I'm looking forward to it.
